

Forecast For West Midlands
Issued by Met Office Exeter
at 1600 on Wednesday 20 Jan 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Heavy rain with winds strengthening overnight.

This Evening and Tonight:
Further heavy outbreaks of rain, wintry especially over hills, associated with storm Christoph clear through the early hours, leaving behind scattered showers and colder conditions by dawn. Winds remain strong. Minimum temperature 0 deg C (32 deg F).

Thursday:
Colder on Thursday with sunny spells and a few blustery showers, the clearest skies later and further south. Strong winds will ease gradually through the day. Chance of frost overnight. Maximum temperature 7 deg C (45 deg F).

Outlook for Friday to Sunday:
Wintry scattered showers on Friday and Saturday with plenty of sunny spells too. Heavier, more persistent rain on Sunday. Cold throughout with risks of icy patches developing overnight.
